To the Hon. US Magistrate Judge Dolinger:

I Plaintiff Pro Se Peter Lindner hereby humbly request the permission of the Court to file ECF  
(Electronic Court Filing) and to use ESI (Electronically Stored Information), as per<sup>1</sup> FRCP 26,  
34 (among others).

I note that I have spoken / emailed and received concurrences with both defendants' lawyers of  
Ms. Wolz, Esq. of Littler Mendelson and Christopher B. Harwood, Assistant US Attorney  
(AUSA) on both conforming to FRCP [e.g. 26 on ESI] and on allowing me to use ECF. I have  
given notice to Peter Barbur, Esq., who said he's not a party to this case, and will not take a  
position.<sup>2</sup>

As to my qualifications: I have been using PACER to retrieve documents for about 5 years, I  
have 2 degrees from MIT (with my master's in Management Information Science), and consider

<sup>1</sup> Also in line with, although not a pilot project, the document Standing Order M10-468 on Pilot Project for Complex  
Civil Cases in SDNY  
[http://www.nysd.uscourts.gov/rules/Complex\\_Civil\\_Rules\\_Pilot.pdf](http://www.nysd.uscourts.gov/rules/Complex_Civil_Rules_Pilot.pdf)

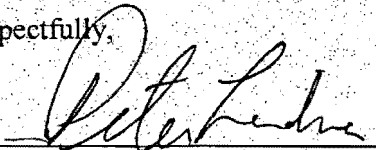

<sup>2</sup> I said I'd copy him on this document since he's mentioned.

ENDORSED  
ORDER  
Plaintiff is authorized  
to use ECF for  
filing and to access  
filed documents in  
this case. We are  
offered no reason to  
waver PACER fees and  
decline therefore to do  
so.

myself incredibly computer literate. I also feel this case and my adversaries would all benefit from ECF for filing, and am unaware of any hindrances to stop me from utilizing ECF, given that Your Honor gives the approval. I will take the ECF Training Course.

Since I am filing as IFP (In Forma Pauperis), I also ask if I can have my Pacer fees waived.<sup>3</sup> I have noticed that there is Pacer ECF Training on June 28, 2012 at Foley Square, so I took the liberty of signing up, with the caveat that I am a "Pro Se Litigant - awaiting Judge's Approval".<sup>4</sup>

Respectfully,

 dated the 14<sup>TH</sup> day of June 2012

<sup>3</sup> According to the Pacer's FAQ " Frequently Asked Questions":

"Q: I was granted 'In Forma Pauperis' status in my case. Will I receive free PACER access?

A: In Forma Pauperis status does not automatically entitle you to free access to PACER. Users must petition the court separately to request free access to PACER."

<http://www.pacer.gov/psc/faq.html>

It also notes something similar, but different:

"Q: Can the user fees be waived?

A: Exemptions from user fees are uncommon...."
